Dear Sponsor:

Thank you for your Power Play Sponsor Sponsorship. It has been another exciting year for this group of young men. Our second year of AAA hockey had been very exciting and our teams have worked very hard at setting a high standard for AAA hockey in Eastern Ontario once again this year. It has certainly been a busy and fulfilling year for everyone.

Please visit our website at ottawajr67AAA.com to view information regarding the teams. You can find an array of information including team schedules, player profiles, links to league statistics and current news items that are of interest to our parents and players.

For your sponsorship your company name has been posted on the team page of the Association website. Please accept this team plaque with our sincere appreciation.

Lastly, attached to this letter is your receipt for the amount of your sponsorship. Thank you again for your support. You have been a big part of our success this year!

Sincerely,

Nicole Plaschy, MBA, CFR
