To whom it may concern,

On behalf of the G. S. Raiders Football Club, I would like to thank you for your generous donation to our club in the amount of \$500.00.

The G. S. Raiders Football Club is a non-profit organization and is a member of NCAFA which stands for "National Capital Amateur Football Association". G. S. Raiders was started in 1975 and has grown considerably over the years. Our club is run strictly by volunteers from the coaching staff to the Executive Board of Directors. There are no gains that go to the members. We have 138 youth ranging in ages from 8 - 16 involved in our club when our registration is full.

The objectives of the G. S. Raiders Football Club are as follows:

- To foster and encourage the participation of boys and girls in organized minor football.
- To provide fun, recreation and healthful enjoyment through activities, development programs and competition for all participants.
- To promote fair play and sportsmanship.
- To develop the skills of all team players.
- To have and exercise general care, supervision and direction over players, team and club officials with emphasis on the enhancement of good character.

In order to keep our sport accessible to youth from all economic backgrounds we rely heavily on community sponsorship and fund raising. One of the areas in which financial support would be the most beneficial is replacing worn equipment. G. S. Raiders supplies all of the equipment worn by the players except for their cleats which they provide themselves.
